Communication was previously sent to inform current Bill Pay users of our Bill Pay product upgrade to CheckFree.

Just a reminder, iPay Bill Pay is still available to all current Bill Pay users through December 31, 2018. iPay Bill Pay is now listed on eTeller as "iPay".

Also, when you register your accounts and schedule payments with the new CheckFree you must cancel any scheduled payments in iPay otherwise the payment will process through both systems.

We understand that new technology and change is not easy, but we are very excited for the options the new CheckFree Bill Pay will provide.

If you have any questions, please feel free to contact us at 303.360.0987. If you need assistance with your CheckFree enrollment, please call 844.699.8551.

We understand that you have a choice when it comes to where you do business and we thank you for your membership.

Sincerely,

Kendra Galloway
